Quizobean, the quizzing society of St.James'School meets regularly on Wednesdays after school under the guidance of Mr. B. Dasgupta and Mr. D. Dhar, masters in charge of quizzing nurturing young talent and inspiring the 'ignited minds' of quizzing.

Quizobean was instrumental in conducting a number of inter class quizzes to serve as a platform for budding talent.

The school team for the year comprised Debranjana Goswami, Soumik Purkayastha, Sankhjo Haldar, Tamoghna Chowdary and Ayush Banerjee.

Going by the huge pool of young talent, we are confident that St. James' School will continue to fly the school flag high in the school quizzing circuit in the years to come.
