

# **Scouts**

'Scouting' is a very significant co-curricular activity in St. James' School. The enthusiastic and active scouts of our troop make it a point to punctually assemble every Saturday at 8 am, inside the school premises. These meetings help ensure that the scouts learn more about the Scouting-Movement. Our troop, referred to as the '7/1<sup>st</sup> S.J.S. Troop' has enthusiastically and actively indulged and participated in various activities all round the year. Our troop consists of 20 scouts, most of whom were former cubs. The scouts of St. James' School were a part of quite a few activities this year.

The scouts of St. James' School, participated in the All Faith Prayer Meeting held at Apeejay School on the 2<sup>nd</sup> of October, 2013.

## **The Scouts Inter-Patrol Football Tournament:**

Like every year, The Annual Scouts Inter-Patrol Football Tournament was organised on the 5<sup>th</sup> of October, 2013. The tournament was played between 4 patrols, which were assigned a specific colour, namely: Black, Red, Blue and White.

The tournament progressed as each team played every other team in the league format of the game. The semi-finals were played between Red and White, and Black and Blue. Both, Red and Blue consolidated a victory in the semis to reach the finals. Both teams played the final match, with the true spirit of sportsmanship. The winner of the match was determined with penalty shootouts, since both the teams had scored equal number of goals. The Red team scored the final goal, thereby establishing a victory. It was a tournament enjoyed by one and all.
